Farmers pin hopes on tractor trek

A vintage John Deere 'D' tractor "putt-putt-bang!"-ed its way out of Vermilion early Monday afternoon, pulling a rack of bales and bound for the Alberta Legislature and bearing a grassroots plea for help for Alberta's suffering farmers.

A large sign proclaiming "Last Hope" adorned the rust-scabbed radiator of the fifty-year-old implement, while two other signs attached to the bale-stacked rack declared "Alberta's Farmers In Trouble Today" and asked "Will We Be Hungry Tomorrow?"

Aboard the tractor for its first lap of the 160 km journey was Elk Point area farmer Albert Naber, who grinned gamely and turned up his snowsuit collar against the chill southeast wind. Other farmers from Elk Point, St. Paul and other communities as far away as southern Alberta are expected to join the trek en route.

The growing cavalcade had plans to stop at Innisfree on Monday evening, Vegreville on Tues-

day evening and the Ukrainian Village, on Wednesday evening, reaching the outskirts of Edmonton late Thursday. The last few miles, through the streets of Edmonton, will be made Friday, arriving at the Legislative Buildings at approximately 1:00 p.m.

Organizers of the trek met Sunday with representatives of five farm groups from all areas of the province, with all five giving unanimous support to this approach to the Legislature. Spokesman Gerald Hill of Willingdon said he was "really flabbergasted by the extent of support we received".

Some of the support came from Letourneau Farm Supplies in St. Paul, who donated the tractor, and from John Wozniak's Texaco Bulk Fuel dealership in Elk Point, who donated the fuel for the trip. "We're all in this together, and we all need to help", said Wozniak, who farms in addition to running the dealership.

OFF TO THE LEGISLATURE — Ray Danyluk and Albert Naber, both Elk Point district farmers, set off for Edmonton on Monday aboard this elderly John Deere 'D' tractor. They expect to reach the Alberta

Legislature early Friday afternoon, leading a cavalcade of farmers from all over the province who are seeking immediate aid for farm financial woes.

District man killed in three-vehicle pileup

A three vehicle pileup on Secondary Highway 646 just after midnight on Saturday morning has left Frank Adolph Brown, 21, of Elk Point dead, while three other persons were hospitalized with injuries.

Two vehicles were parked on the south shoulder of the highway, repairing engine problems on one of the vehicles, when a third vehicle in the eastbound lane collided with one

of the vehicles, sending it crashing into the other one.

Michel Goulet of Lindbergh, Rosemary Vinge of Elk Point and Raymond Brown of Elk Point sustained injuries in the collision, while a passenger in the Vinge vehicle was shaken up.

Investigation into the accident is continuing, with no decision made to date regarding charges.

SAVE THE CHILDREN CHAPTER — Members Tina and Colin Bjorkman, Marnie McCowan and Rhonda Pinder visited Mayor Ed Buck and Elk Point Town Council Monday evening. Buck has declared April 20 to 26 "Save the Children Week" in Elk Point.

CANSAVE chapter formed

A dozen concerned Elk Point district residents, including three pre-teens, recently banded together to form a local chapter of a world-wide organization aimed at helping children to survive the effects of hunger and poverty.

The Elk Point chapter of the Canadian Save The Children Fund will join a network of volunteers across Canada who raise money by various means to help youngsters, not only in Third World nations and countries ravaged by war, but in areas of Canada as well.

Representatives of the group visited Town Council Monday night to introduce the program and to present Mayor Buck with a copy of the

Declaration of Rights of the Child and a CSCF pin. In turn, Mayor Buck declared April 20 to 26 as Save the Children Week in Elk Point.

Last Friday, the first of a number of coin collection capsules was ceremoniously put in place to begin its job of gathering donations. The capsules will soon be a familiar sight on the counters of banks and businesses. The coin capsules raise about \$150,000 per year nation wide.

The Elk Point chapter, under the chairmanship of Marnie McCowan, is a new kind of venture in Alberta. Previously, the CSCF concentrated its efforts in the cities, and this is the first small town to become involved. Ms. McCowan said that residents of

St. Paul and Bonnyville have shown an interest in becoming involved also.

Especially heartwarming has been the response from young people, Ms. McCowan added. Tina and Colin Bjorkman have been enthusiastic supporters of the group from the very start and Rhonda Pinder "was not at our first meeting - only because she didn't know about it." A number of other youths are eager to join in the fundraising and plan to be in attendance at the next meeting on May 21.

Helmut Kuhn of CSCF's western regional office in Regina attended the first meeting of the chapter, and outlined the history of the Fund, which dates back to 1921 in Canada.

Hospital receives 2 yr. accreditation

Elk Point Municipal Hospital received its accreditation for another two year period recently, following a comprehensive examination last October, which left no corner of the hospital and no aspect of the care given there, unchecked.

From the 219 page questionnaire answered by the hospital's administration and staff, to an actual 'white glove test' for cleanliness which was part of two long days spent at the facility by the Hospital Accreditation Examiner, the hospital came through with flying colors.

The entire staff is involved in the ongoing programs which assure quality in everything from patient

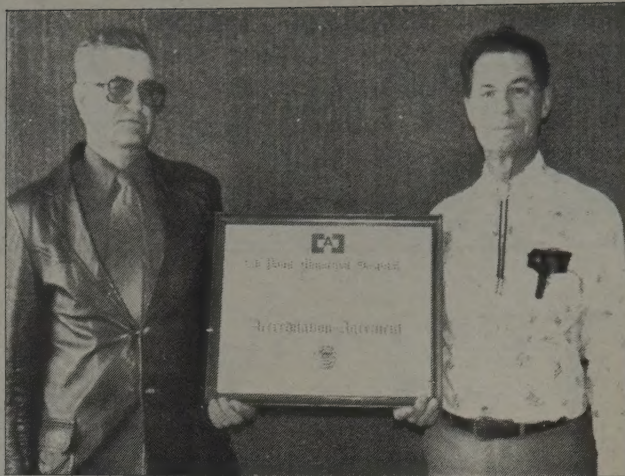

care to laundry and housekeeping, said Administrator Clem Johnson, and "everyone is proud" of their achievements.

The hospital has always "taken a lot of initiative" in implementing programs such as those for diabetic and cardiac patients, and in providing good outpatient and emergency service, commented Director of Nursing Diana Anderson, and this also is taken into consideration by the Accreditation Council.

The hospital first achieved accreditation in 1983. A pre-accreditation survey was made some years earlier, but at that time there was only one doctor on staff, and insufficient services available to meet the criteria, reminisced Hospital Board member Tom Belsheim.

Mrs. Anderson noted that some of the quality assurance programs planned by the Hospital staff and Board in the past have now been adopted in other hospitals, and that some are now among the standards for accreditation.

The hospital is presently served by two physicians, Dr. Frank Estey and Dr. Keith McNeilly, and the newly opened clinic next door to the hospital has room for two or three more. The Board members report that Dr. Estey, who has moved his office into the former nurses residence, is very pleased with the new facility, and is looking for another doctor to help with the Elk Point caseload, "Now that we have a place for another doc-

tor to come to."

The Hospital Board is also working toward the goal of a nursing home, which would free some of the hospital's beds for active care patients. They have presented a brief to the Hospitals Department, and are "on a list - but who knows how far down it", said Board member John

Williams. He added that the Board would like to see the nursing home attached to the hospital, to enable joint use of facilities such as the kitchen.

Administrator Clem Johnson said that the Board has been actively lobbying for the nursing home for five to six months, and hopes to meet with MLA John Drobot in the near future.

FLYING A KITE CAN PUT YOU IN TOUCH WITH SUDDEN DEATH.

Normally a harmless plaything that captivates kids, young and old, a kite can put you in touch with an overhead power line. That overhead line is uninsulated, bare wire.

Wet string, wire or string with metallic fibre are direct pathways for electricity from an overhead line to you.

So build and fly your kite safely.

Begin by using only wood, plastic, cloth, paper and string to build your kite. Never use wire or metal.

Then, before you even think of catching the wind, look around in all directions and make sure there are no overhead lines close by. And never fly a kite with wet string or string with metal in it.

Avoiding hazardous overhead lines is especially important for wire-controlled model airplanes, too.

If your kite does snag in an overhead line, don't try to pull it down. Never climb a pole or a nearby tree to retrieve it. Call the nearest Alberta Power office for help.

Never touch an overhead line. Don't even get close. And never let anything you're holding touch or get close to an overhead line.

Flying kites and model airplanes is a special kind of fun. But they also expose you to a special danger, the touch of an overhead line.

STAY AWAY FROM OVERHEAD LINES.

Baptists turn Church sod

By Irene Magnusson
The Elk Point Baptist Church, under Pastor John McGregor, finally

got a spade in the ground, in a sod-turning ceremony at the site of the new church.

The weather co-operated only up to a point - with sun bright but snow and cold underfoot - as some 50 or 60 enthusiastic supporters gathered on the hill overlooking Elk Point, just west of the Alico Motor Inn, for the 2 p.m. Sunday, April 13th ceremony.

Church Deacons Paul Ivison, Tom Sales, Don Shepert, John McNabb, Dean Johnson and Gary Osborne were entrusted with the officiating. Mayor Ed Buck was on hand to offer an official welcome and encouragement from the town. Out of town guests were from Vermilion and St. Paul.

Following the service, the blessings and the turning of the soil (which being frozen was a bit reluctant to be turned - but did yield) by the four selected Deacons, the group regathered at the Alico Dining Room for coffee and doughnuts graciously offered for the occasion by the new management of the Inn.

Pastor McGregor is elated that funding for the new church is in sight, he said, that the building will now proceed, and there is hope the church will be in use by fall. Presently services are held in the Elk Point FCSS building. Features of the new upcoming church include provisions for a nursery.

Pledges of funds are still sought, to finish this bright new edifice, repay the loans and make this dream a reality. Volunteer labor has been offered and gratefully accepted.

Pastor John and Roberta McGregor have worked long and faithfully to bring this center of worship to Elk Point. They deserve all success.

Save the Children was originally started in Britain in 1919 to aid the starving children of war-torn Europe, and has since spread to nations across the world. The Canadian branch became a separate entity in 1946.

Originally, started to "follow the wars and pick up the pieces". Save the Children went on to start a foster parents plan and to help with community development, Kuhn said.

Planning and quilting for Elk Point Red Cross

By Irene Magnusson

Seven Elk Point Red Cross Branch members gathered at the home of Violet McFadyen for the April 7th meeting. McFadyen had a quilt on the frames, and the group very quickly tied it, taking about an hour and twenty minutes. They decided not to tie another one in that same day.

President McFadyen called the meeting to order at 3:30 p.m. and minutes were read by the secretary Margaret Modin. A motion to pay several small bills was carried. It was confirmed that Lena Stepa would represent the group at the coming Red Cross Convention in Edmonton.

Modin then read a report from Mrs. Mary Anne Smith, Chairman of Aid International and Domestic (CREATIONS) section of Red Cross, Alberta-NorthWest Territories Division.

The revenue objective for the past year had been surpassed, this income from crafts, ornaments, and special projects. Thanks were offered to all who helped. Part of this fund, together with matching grants from the Alberta government, will go to Red Cross in Africa, for health needs.

The new title "CREATIONS" will be used in future to designate work formerly under the name of Aid International and Domestic. The particular funding for "Creations" is from sale of donated crafts. Special emphasis will be placed on sales and promotion of these articles. In many cases materials for crafts may be acquired from Red Cross head office in Calgary, such as yarn, quilt lining, etc.

The report also mentioned the National Quilt Contest, May 5th to 9th in Regina. Five Alberta quilts have been entered, and these may be seen at the Calgary office, April 21 to 25, 9 a.m. to 4:30 p.m.

McFadyen thanked Modin for reading the report. Volunteers were then called for to take various articles for the Tea, Bake Sale and Craft Sale, coming up Saturday, April 26, at the United Church Hall in Elk Point. It was decided to once again have a White Elephant table, donations welcomed. This year the Tea will open as usual at 2:00 p.m., with a closing time of 4:00 p.m. Any items for the Bazaar (crafts) table, Bake table or White Elephant table will be very much appreciated. Someone will be at the hall after 12:30 p.m. to accept donations.

One familiar face missing from the quilting and the meeting was Buzzie Pelechovsky, who has been in hospital. The group will be happy to welcome Buzzie back to the next gathering; a most faithful worker she has always been. Mrs. McFadyen promised another quilting bee soon, she then closed the meeting.

Will we be hungry tomorrow?

EDITOR'S NOTE: This address by Lori Aarbo won the junior section of the Elk Point 4-H Light Horse Club Public Speaking Competition, and the concern reflected in its text is the concern of many. thank you for sharing your speech with us, Lori.

One of my main concerns is that policy set by government today will have an effect on the generations of tomorrow.

An example of this is the country of Ethiopia. Nine hundred years ago, Ethiopia was one of the richest and most modern countries of the world. Taking their high standard of living for granted, Ethiopian government put less and less emphasis on agriculture, which is the backbone of every country.

Due to poor agricultural policy, the farmers could not farm their land in a way which would preserve the soil. Forests, which have a bearing on rainfall, were destroyed. Thus, the productivity of the land slowly began to deteriorate, due to lack of moisture and erosion.

Due to the lower production in agriculture, which left the country in a food deficit, the economy and the

standard of living of Ethiopia slowly began to crumble. Today in Ethiopia, there is widespread starvation and poverty.

In Canada today, we still have one of the best standards of living in the world. But, listening to the news and seeing the widespread problems in agriculture in Canada, my fears are aroused that maybe we have not learned from the mistakes made in old countries such as Ethiopia.

Economists and soil scientists in Canada forecast that without a policy change in our country to encourage preservation of our soil and forests, we will see our standard of living also crumble. They predict that what took nine hundred years to happen in Ethiopia, will happen in Canada within sixty years.

In closing, I would like to emphasize the importance of not only the rural people, but also the urban population, becoming informed and involved in the government of the day. We have to encourage our policy makers to support the Number One Industry -- AGRICULTURE. In turn, agriculture, which has a spinoff of six to one in the economy, will create a good standard of living for generations to come.

Lori Aarbo

Why prolong the campaign?

A provincial election has been called for Thursday, May 8, and already everyone is discussing the brevity of the campaign in the shocked, hushed tones usually reserved for shotgun weddings.

Why would any longer than twenty-eight days be required to decide on a new government? So much pre-campaigning has already been done that the election seems like an afterthought. Surely four weeks is long enough for each politician to convince his or her constituents that that particular party is the only one which will get the job done and save us all from the wolves of the recession.

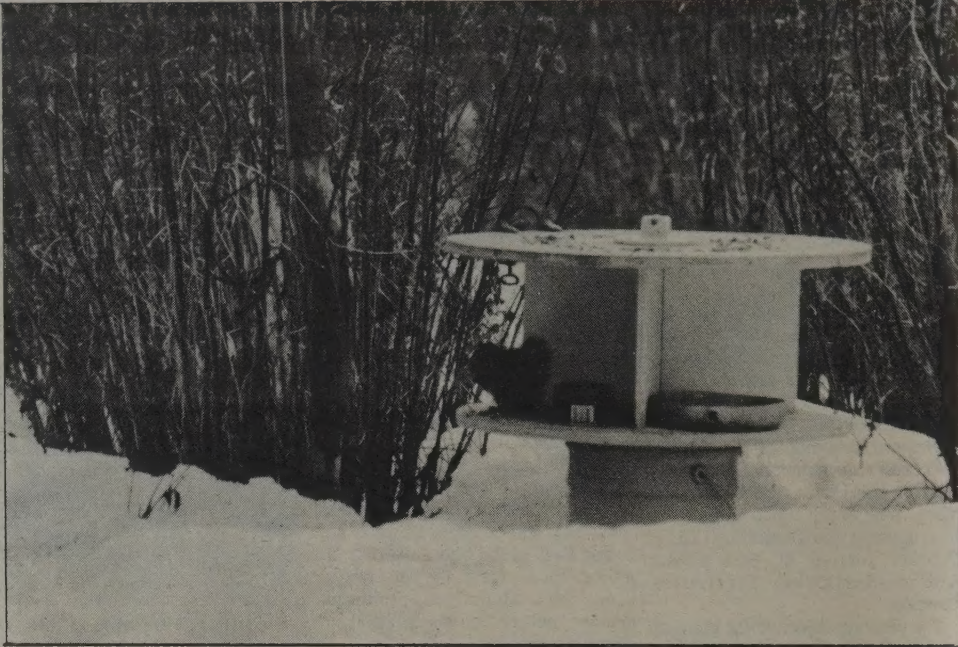

It is long enough to explain why each nail has been thoughtfully driven into each party's platform, and to make promises for the next four

years. Too much time might lead the political candidates into making more promises than could be fulfilled, you know.

This next month is now very predictable, as far as the television programming is concerned: if we aren't watching the Stanley Cup playoffs, we will be watching promises made and pie-in-the-sky painted by the election hopefuls.

It is a month to be open minded, and to make rational decisions as to the leadership we need. Four weeks should give us ample time to make up our minds, and more than ample time to watch the campaign via the media.

May the best party win — whomever the Alberta public decides that is.

Recreation Corner

By Linda Simpson
Recreation Director

Hats off to the community's many volunteers!

In this, National Volunteer Week, the Elk Point and District Regional Recreation and Cultural Board salutes the volunteers in this region. Who are these volunteers? It seems that just about everyone has offered to do something for someone at one time or another out of the goodness of helping others. Volunteers are easy to recognize. Most of them greet you with a bright smile and are a little shorter than most people due to carrying all that responsibility. You can find volunteers in the churches, schools, libraries, meeting rooms, on the ball diamonds and playing fields, or rushing inbetween any of these places. Their quick pace is broken only when slowing down to accept new and more exciting challenges. Do these volunteers get paid for all their efforts? Of course they do! This payment, however, does not have much value at retail outlets, banks, or investment firms. This payment comes in the form of pride in a job well done.

Letter to the Editor

An ode to volunteers

Dear Editor:
Re: Volunteers — They're Great!
This is volunteer week. The LEARN Project has grown and continues to flourish because of volunteers. Without these people, our students would still be waiting to learn to read and write.
As the ode to Volunteers goes:

Volunteers are like Ford...
They have better ideas.
Volunteers are like COKE...
They're the real thing.
Volunteers are like PAN-AM...
They make the going great.
Volunteers are like PEPSI...
They've got a lot to give.
Volunteers are like DIAL SOAP...
They care more; don't you wish everybody did.

Volunteers are like VO5
HAIRSPRAY...
Their goodness holds in all kinds of weather.
Volunteers are like HALLMARK
CARDS...
They care enough to give the very best.
Volunteers are like STANDARD
OIL...
You expect more and get it.
BUT MOST OF ALL...
Volunteers are like FROSTED
FLAKES...
They're G R R R E E A A T ! !
LEARN Volunteers in the St. Paul and Elk Point areas are:

Windsor Club curling awards

By Mildred Dunham
Ferguson Flats Correspondent

The curling season at the Windsor Club officially came to a close on Saturday, April 5, with the presentation of awards to the top two teams in

each league.

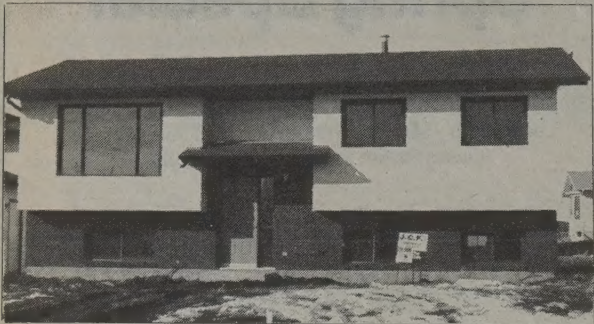

Winner of the 12-team Mixed Round Robin was a team consisting of Don and Barb Anderson, Debbie Ballas and Jeannette Frisby. Second place in the Mixed League was won by Bar-

rie and Marg Young, Mary Nelson and Bernice Antonio.

The Pauline Scott rink topped the four-team Ladies League. Curling with Mrs. Scott this year were Gail Bendixon, Marg Young and Brenda Morane. Second place in the Ladies went to Helen Skolarchuk, Idella Matthews, Fae Irvine and Ellen Ranger.

About fifty people enjoyed the wind-up evening, which started with a supper and ended with musical entertainment by Lane and Pauline Scott and Leo Rainboth.

CONGRATULATIONS

UNITED FARMERS OF ALBERTA
SERVICE AWARD
50 YEARS SERVICE

NEAL JONES,
DEWBERRY

United Farmers of Alberta was pleased to present the above award at our Annual Agents' Meeting in February honouring a valued employee who has given years of excellent and loyal service. We at UFA sincerely thank you for your dedication.

Clandonald News

By Shirley Osinchuk

The robins have returned and were singing morning and evening from the top of a dead tree in the yard. The crocuses were blooming. It definitely was spring.

Then the farmers went out with their combines and the snow fell. It is a little confusing. No wonder the robin hasn't been singing the last two days.

About fifty people enjoyed the films shown by the Agricultural Society on the 4th. "The Reluctant Dragon", "Rapunzal", and a mystery starring two teenaged boys, were the movies. Then came the squares and juice and coffee. It was a very nice evening. The Agricultural Society does a lot of work "behind the scenes" and doesn't get credit for the long hours put in by some members. Thank you.

It was a sad week in Clandonald. Thursday and Friday saw funerals in the Catholic Church. Two long-time residents were laid to rest, Lynn McCormack and Archie MacDonald. We express our sympathy to all their many friends and relatives.

This month you will probably be visited by a volunteer, who will also probably be your neighbour, canvassing for the Canadian Cancer Society.

The Fish and Game meeting is on Thursday, April 17, at 7:30. The guest speaker will be Bill Peters, the Fish and Wildlife Officer from Vermilion. He will speak on the Outdoor Observer Program.

There will be Bingo at the Friendship Centre on Monday, April 21 at 8 p.m.

Tuesday afternoon, April 22, there will be the Blood Pressure Clinic for all adults at the Friendship Centre.

Tuesday evening at 8 p.m. please attend the Local Advisory Board annual meeting at the school. We will discuss any questions and concerns that parents and other ratepayers have concerning the school. We hope to have representatives of the Board of Education in attendance. If you do not know what the Local Advisory Board is all about, and if you are interested in our school, please attend.

"Auction: the place you get something for nodding."

CONSERVATION WINNER — Gerald Melnyk, Gordon Kuhn - Hunter Education.

BIG GAME TROPHY WINNERS — Alex Kurash - Whitetail, Ken Williams - Muledeer, Richard Nelson - Antelope, Tyler Morris - Moose.

JUNIOR FISH TROPHY WINNERS — Aaron Van Peteghen - Walleye, Alex Kurash for Tracy Bepalko - Northern Pike, Adam Dobranski - Perch.

Out our way

By Mildred Dunham

Ferguson Flats Correspondent

Easter has come and gone, along with all the friends and relatives that come out to visit.

Visitors to Primrose were Vernon MacDonald from Water Valley and Clarence MacDonald along with daughters Kerry & Julie from Calgary. Most of Marge Heffernans' family were out to visit over the long weekend.

Spring is officially here when we see farm sale bills at most public places. Even if one passes up the bargains, it's still the best place to meet all your neighbors.

Ferguson Flats had their final whist drive April 5th. Although only four tables, it was a fun evening. Since it was also the wind up party night for the Windsor Curling Club, I arrived late for whist and ended up taking over the "Dummy" spot and winning the men's travelling prize at the end. Olga Ockerman got the travelling prize for ladies. 1st place winner for men was John Hillebrand while David Ockerman was 2nd. 1st place for ladies was Judy Ockerman & 2nd went to little Krista Seward.

Winners of the trophies for high whist score of the season were Ellen Seward for ladies and John Ockerman for men.

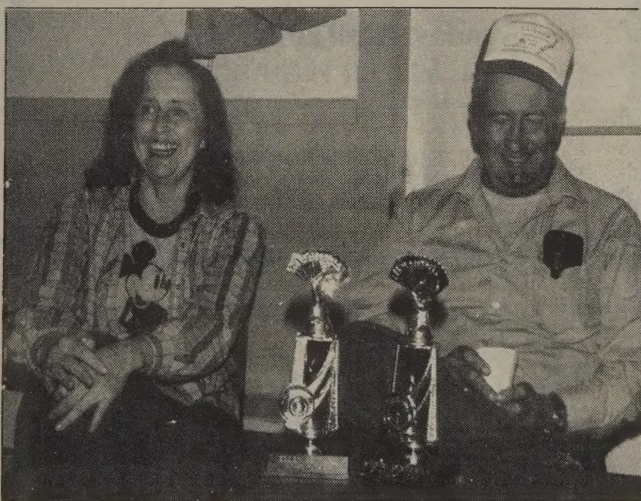

The Frog Lake REA had a meeting April 2nd. Since I couldn't attend because of my auction mart job at Bonnyville, about all I know about it is that 18 members were present and the vote was 15 to 3 in favor of selling to Alberta Power.

The Wayne Smith rink and Barrie Young rink, winners at the local Texaco bonspiel, went to Red Deer early this month for the Texaco Provincial

Bonspiel.

Barrie Young, Marshall Pelech, Ken Hillebrand and Terry Cameron won five rounds of the bonspiel but

lost out in the final game for the trophy. The Smith rink did not do as well, but both rinks report having a fine time.

WHIST WHIZZES — Ellen Seward and John Ockerman took the Ferguson Flats high scoring trophies for the whist season which has just ended.

Dewberry News Roundup

By **Cliff Cunningham**
Dewberry Correspondent

John and Jim McDowall were invited to Melie and John Maltais for Easter dinner. Clayton and Marge Hanson were there also.

Ed Garnier had a operation in the Vermilion Health Care Complex and is home now. Hope you are feeling better now, Ed.

Bingo was played at the Senior Citizens Drop-In Centre, Saturday evening April 5th, with about twenty-four turning out. I never got the names of the bingo winners. Frank Bowman and I were too busy playing pool. A nice lunch was served after the bingo.

Your news reporter has been busy the last couple of days volunteer canvassing for the Canadian Cancer Society. The people of Dewberry and district have been real good at donating. Sorry if I missed some of you as they only sent me three books with twenty in each book. The Co-op store gave me a space to work in the first day and I used my little short legs to get around the rest of the time.

Neal and Elsie Jones also Bobby and Ariel Braithwaite have returned from a nice trip to Arizona and other places. How about a write up of your trip, Elsie?

Bill Maddex is home now after spending about a week in a hospital in Edmonton.

Not much news this week to report. Very few people came to the Centre last week. I went two or three different days and no one to play pool with.

This week there is the Greenlawn Missionary Ladies bake sale and two hockey wind-ups for Minor Hockey and the Mustangs.

It would be a good time now to go on a short holiday before it is time to put the garden in. Our weather has been good this last week - low 26 degrees above F to 54 above. No rain or snow, just some strong winds.

Today, March 31st is a beautiful day, only a little windy. March came in like a lamb and is going out like one

as there are no clouds in the sky. Maybe someone shot the lion.

I went to a Fish and Game meeting at Clondonald with John Anderson a couple of weeks ago. It sure is nice to meet some of my old friends as I was president for their Fish and Game Association at one time. They give me a lifetime membership card each year.

There was a potluck supper at the Senior Citizens Drop-In Centre, Wednesday, March 26th with only twenty-eight turning out. Nobody let me know who won the ham draw at the school Thursday, March 27th. Also on March 27th, there was a Easter tea and bake sale at the United Church Hall and other games, drawing a large crowd. The small girls made sure your tea cup was kept full and you had lots of sandwiches, cake and other drinks.

Exercise classes are being held at the Drop-In Centre now. Phone Peggy Garnier for more information.

The Lions's meeting and supper was in the Dewberry Hall, March 27th with only eight men turning out. If you want the hall finished you should turn out and support them as it will take about another \$20,000 to finish it. The Lion L's catered to the supper and had a lot of good food left over.

Marge and your news reporter went to Spicers in the Riverton district for Easter Sunday. All their family were home and they invited Larry and Terry Bensmiller along with their children Wesley and Jamie for dinner & lunch. Everyone was out having fun riding and driving four wheel, three wheel and two wheel bikes and trikes. How and where did the rest of you people spend Easter?

Peggy Garnier always comes back to good old Dewberry about the time the crows come back. She has another home in Las Vegas, U.S.A.

Your news reporter will be canvassing for the Canadian Cancer Society again this April. Shirley Roy from Vermilion came and gave me everything I needed for the volunteer job.

The minor hockey potluck supper

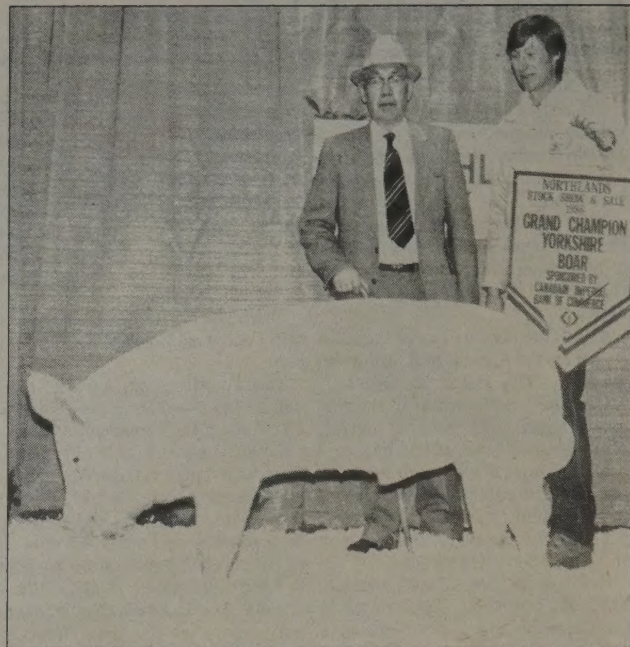

(etc.) will be held in the Hall April 11th at 6:30. Dewberry has some real good hockey players. Come out and meet these future Edmonton Oilers. As you all know by now the Atoms won the Provincial playoffs and the Mustangs came close to winning.

The Dewberry Mustangs won the Sask.-Alta. League title against Marwayne in a four to one game in the last seven game series, March 28th. On March 29th there was an exhibition game played in Dewberry between the Mustangs and the Vermilion Junior B. Tigers. Vermilion won the game 5 to 1.

The Dewberry arena and curling rinks has been a very busy place this winter and I am going to be lost for awhile as I was there almost every evening for the last two months or more.

Frank Smith is home now after having an operation in Edmonton. Hope you are feeling better Frank.

We had a snow storm on the nite of March 24th, about 3½ inches. We have lots of moisture now. Temperatures ranged from 12 degrees above F to 52 degrees above this last week.

LUDLAGE PURCHASES GRAND CHAMPION — Theodore Ludlage of Elk Point purchased this Grand Champion Yorkshire boar at the Northlands Western Stock Show and Sale from J. Knoben of Jarvie, Alberta for the sale's top price of \$850.

From the Sergeant's Desk

By **RCMP Sgt. Jim Fell**

On the 3rd. of December, 1985, Mr. Ken LANGDONE of ELK POINT reported that some unknown vehicle had collided with his house and his motor boat and trailer that were parked alongside of his house. Damage was quite severe but no one had stopped to report the accident. Rather, they had left the scene obviously to avoid criminal or civil liability.

This case finally came to a successful conclusion on April the 8th,

1986 when a local man plead guilty to leaving the scene of an accident and was fined \$400.00 by Judge R.L. TIBBITT in Provincial Court.

Originally the investigators located some car parts at the scene which lead them to believe a particular type and colour of vehicle was involved. The services of St. Paul Identification Branch and the Edmonton Crime Detection Lab were solicited to further the search for physical evidence. The Crime Lab confirmed that the vehicle being sought was a Chrysler product manufactured between 1969

and 1974 inclusive. As a result, a particular suspect vehicle was identified and the owner became a suspect.

The investigation then switched to Regina, Saskatchewan; then to Saskatoon, Saskatchewan; Colonsay, Sask.; then to St. Albert, Alberta where the suspect was interviewed and subsequently charged with Failing to Report a Motor Vehicle Accident under Section 77(3) of the Motor Vehicle Administration Act on the 27th of January, 1986 at which time additional witnesses to the accident were named.

Although a charge had been laid for Failing to Report an Accident, no charges of Failing to Remain at the Scene had been laid.

On the 10th of March, 1986, the suspect vehicle was finally located in Elk Point and was seized as evidence. The car had apparently been hidden for some time. The original exhibits seized at the scene were physically matched to the damaged area of the vehicle.

With the physical match of evidence and the information supplied by witnesses, charges of Failing to Remain at the Scene of an Accident were laid against the owner of the vehicle and subsequently his admission of guilt in Provincial Court on the 9th of April, 1986 over four months after the offence.

The reason I have written up this case is first, to congratulate the investigators but secondly, to demonstrate some of the intricacies of the Law, the resources that are used and the time that is involved in bringing a case successfully to a conclusion. This case started with physical evidence located at the scene and used resources of seven branches of the R.C.M. Police throughout Alberta and Saskatchewan to finally zero in and prosecute an individual. Often times the victims of a crime or those people who are personally involved with the victim of a crime become very impatient with the Police and feel that "Frontier Justice" should be brought back. Fortunately, this will never happen.

The Law is designed to protect society and has developed by trial and error over decades of time as shown in this case, persistence, patience and dedication will cause JUSTICE to be done.

N.B. Don't forget the R.C.M.P. Regimental Ball this Saturday night starting at 6:30 p.m. Tickets available from any member of the Elk Point Detachment. Hope to see you there???

Pioneer Circle director's meeting

By Irene Magnusson

Directly following the Annual meeting (and a coffee break), the new Board of Directors for the Pioneer Circle Senior's group in Elk Point met to discuss urgent plans. First Vice-Pres. was in the chair.

Bess Jendruck offered her resignation as housekeeper. It was learned that she had been doing all the work required in this job for \$15 per month, this included cleaning, dusting, buying supplies, clearing away garbage - even to hauling it home in her car - as well as helping with special events. This was considered most unfair and

immediately an offer of \$50 per month was made. After some persuasion Jendruck agreed to continue as housekeeper.

Marg Clark agreed to take on the task of Sports Director, assisted by Mary Prusak. Jendruck will continue to call Bingo

After a very long, loud meeting, the group adjourned, having tentatively agreed on how the floor curling event would be handled. A motion to purchase new books for the Treasurer was carried. Some concern was voiced regarding the opening of the hall.

Sometimes it wasn't opened in time by the persons responsible for this, when players came for games. An effort was made to clear this up.

It was agreed that any two of Treasurer, First Vice-President or Second Vice-President would have signing authority for the group.

Elk Point Library news

You may have tangible wealth untold!

Caskets of jewels and coffers of gold. Richer than I you can never be — I had a Mother who read to me.

Strickland Gillilan

With National Book Week here again, we not only renew our interest in books, but also try to have our children become interested in reading. Children can begin to love books from a very early age if they are read to. A good book that can help parents to discover the joys of reading to children is "The Read-Aloud Handbook" by Jim Trelease.

New Arrivals:

Planning a trip to London? Do you wish to know where to go and what to see when you are there? An excellent book for you would be "The Book of London". Need help getting ready? The library has another offer for you — "The Practical Traveler" by Paul Grimes.

If you are a senior citizen planning a vacation, "Handi-Travel" by Cinnie Noble is full of travelling tips to help you.

Thanks to the generous donation from FCSS, the librarian was able to

order several family-related selections. The newest book received is titled "Two Hugs for Survival" by Dr Harold A. Minden.

Several people have come to the library asking for books dealing with suicide. A book recently received on the topic is "Coping with Suicide" by Lorene Binkie.

Do you wish to know what to do when the police stop you? Let Brian Laurie and Ian McLean tell you in "Pull Over Please".

For the creative cooks of Elk Point the library has two new books called "Creative Cake Decorating" and "Cake Decorating Simplified".

In the Fiction section is Thomas Fleming's newest best seller "The Spoils of War" and Kerry Newcomb's, "Sacred is the Wind"; for the fantasy lovers — "The Neverending Story" by Michael Ende.

There are many other new selections that haven't been mentioned. Come in and have a browse through them. If the selection you wish to read is not in our library, Doreen or Diane will gladly order it for you through the Library Extension Service. Hope to see you at the library soon. Happy reading!

Notice to Electors

As you may have heard, Alberta is going to the Polls on Thursday, May 8, 1986. I, John Ference, the Returning Officer for the Electoral Division of St. Paul, will be opening an office at 5009-50 Ave. (Melenchuk's Mall) Room 108, St. Paul, Alberta, where myself and my Election Clerk, Linda Ference, will be available for anyone with questions

concerning the running of the election. The office will be open 9:00 a.m. - 12:00 p.m. and 1:00 p.m. - 5:00 p.m., Monday thru Friday. We are going to use the List of Electors that was compiled by the Enumerators in September 1985. This list will be distributed throughout the Electoral Division at the polling sub-divisions as soon as possible. For anyone reaching the legal age of 18 years between September 1985 and May 8, 1986, and for those who have moved into this Electoral Division from other parts of the province of Alberta, as well as persons who may have been away during the enumeration period and are not on the List of Electors, may have their names added to the List by phoning our office or coming in to see us prior to the deadline of April 26, 1986. Please check the List of Electors in your polling sub-division to see if your name is on it. If not, then contact us before the deadline of April 26, 1986 and have your name put on the List and save a great deal of confusion on Polling Day. Our office telephone number is 645-3311, my residence number is 645-3807. Thank you!

Pioneer Circle hold annual meeting

By Irene Magnusson

Around thirty-five members gathered for the April 8th Annual meeting of the Pioneer Circle in Elk Point. Retiring President Marg Clark opened with O Canada, sung by the group. A Chairman for the meeting was requested, Sid Holthe being elected, while Nellie Merrick was Acting Secretary by acclamation.

A prepared Agenda was read and accepted, followed by minutes of the 1985 Annual meeting. A detailed Financial Statement was read by Treasurer Erika Bender. The group have a combined savings of over \$12,000, quite a good balance. All sections of the various programs seem to be holding their own financially. Walter Saranchuk had again done an audit, finding all in order. A motion to have a photo-copied condensed financial statement for members at forthcoming meetings was carried.

The members gave a brisk round of applause to Marg Clark, who, after three years as Chairman, is retiring from that post. Mrs. Clark then read her annual Report, listing the many events the group has taken part in, the improvements to the hall, including the piano and the ramp, the fact that the group's float had taken first prize in the parade last year, that the members have brought home many trophies from tournaments and games with other senior groups. Clark was particularly pleased to have introduced floor curling in the

past few years, with the Heritage Day activities at the hall well attended, the banner made by some of the ladies, as well as the forth-coming cookbook which will carry the banner on its cover.

Clark offered special thanks to some persons: Grace Lien, for services as secretary; Bess Jendruck for housekeeping faithfully and well; those who helped make the dances run smoothly; and many others. Chairman Holthe thanked Clark for her report.

Holthe then explained why the proposed amendments to the By-Laws were not implemented: they got lost. So far no new action has been taken to re-write them, and he suggested the group could carry on as they are, with rule-by-motion when changes were desired. Membership fees were again set at \$3.00 annually.

Members were encouraged to participate in the coming Summer Games, the deadlines: for Locals being May 15; for Areas, June 15; for Zones, July 15; and the finals at Grand Prairie will be August 15.

Following nominations, no Chairman had been found. First Vice-Chairman is Mike Palinka; 2nd Vice-Chairman is Lena Kuziw; Secretary, Nellie Merrick; Treasurer, Erika Bender. Directors are: Lill Sass, Marg Clark, Mary Prusak, Helga Vaughn, George Jacobson, Frank Zarowney, Fred Lorensen, Lawrence Garneau, Bess Jendruck, Anne Buck, Ann Stuparyk, Geneva Trefiak, Buzzy Pelechovsky, Olga Tomkow, Violet McFadyen, and John Palinka.

Holthe suggested that a Social Convenor and a Sports Director be appointed at the first Director's meeting following the Annual meeting. He also suggested a Chairman could be appointed from the Board, until a permanent chairman was found. He also pointed out that the roles of these two (Social Convenor and Sports Director) should be established at that time.

Marg Clark stated there would be a floor curling event in the hall on April 17 & 18.

The meeting was adjourned at 3:30 p.m.

VOLUNTEER FIREMEN

The Elk Point Volunteer Fire Department is now receiving applications from residents of Elk Point and area who are interested in joining the volunteer brigade.

Community minded individuals, in good health who are interested in becoming part of an essential service to the community and district will find membership in the Elk Point Volunteer Fire Department both challenging and rewarding.

Previous experience with fire fighting procedures is an asset, however, it is not mandatory. Training in the use of equipment, first aid and rescue is provided.

Anyone wishing to apply to join the department or to obtain further information may contact:

4-H Multi Club meeting

By Lisa Lukevich

4-H Club Treasurer

The Elk Point 4-H Multi Club had a meeting on March 19 at the F.G. Miller Jr./Sr. High School. Visitors from the Heinsburg Multi Club attended.

The pledge was led by Lisa Lukevich. The minutes were read from secretary Jodi Vogel's notes, followed by a treasurer's report.

In the old business, the dance we held on January 17 and the public speaking was discussed.

When we went on with new business, we decided to have a volleyball tournament on April 26 and invite other 4-H clubs to participate with a \$10 entry fee per team. We will try to book the F.G. Miller gym and sell lunch.

We are also preparing for our annual 4-H Highway Clean-Up on May 3rd.

After president Corey Vogel adjourned the meeting, we had lunch and visited with the guests.
